Volunteer Wheat To Be  
Killed by Farmers As  
It Will Sap Moisture  
From the Soil

The first general rain of the fall was welcomed in Randall county Monday night. Reports from every section of the county Tuesday and yesterday indicated that no part of the county was missed by this rain. The total moisture for the night amounted to .80 of an inch in Canyon, but varied in different sections of the county.

Another rain amounting to .50 of an inch fell in Canyon Sunday morning. This rain also varied over the county, missing the northwest section of the county entirely. Rain so far this month in Canyon amounts to exactly three inches. This does not equal the moisture received in the west and southwest sections of the county. Wm. Ash states that six inches of moisture has fallen in Umbarger this month. Farmers from the south part of the county report rains running as high as 5 and 6 inches.

Volunteer wheat is up in all parts of the county, excepting the northwest section which is short on moisture. A group of farmers were discussing volunteer wheat yesterday and agreed that it should be killed as quickly as the ground could be worked. The volunteer crop will quickly sap the moisture from the ground if allowed to grow. The temptation is to allow the volunteer crop to continue to grow owing to the short feed crop and short grass over the county.

The feed crop will develop very rapidly following these rains. If frost holds off, there is a chance to make much more grain than was anticipated last week.

According to the official rain gauge in Canyon, the rain so far for 1936 amounts to 12.13 inches. The total moisture for 1935 was 13.79 inches.

### Randall H. D. Clubs Win 8 First Places At Tri-State Fair

The Woman's Club Division of the Tri-State Fair at Amarillo this week is better than ever before. The Randall County Home Demonstration Clubs under the direction of the home agent, Miss Allie Dozier, won 8 first places; 6 second places, and 8 third places, and received \$27.00 in prize money.

Judges for this event were Mrs. Dora R. Barnes, clothing specialist from A. & M., Miss Grace I. Neely, food preservation specialist from the College, and Mrs. Ruby Mashburn, district agent.

Club winners from here were: Mrs. E. W. Schaeffer, Centerville, second on Asparagus, and Mrs. H. M. Rockwell, Zita, third on Asparagus.

Mrs. W. C. Roberts, Westside, first on Okra and third on Greens. Mrs. J. E. Hunter, Westside, second on Greens and two third places on Grape Juice and Apple Jelly.

Mrs. Wm. Ash, Westside, first on English Peas.

Mrs. J. J. Wright, Westside, first, Peaches.

Mrs. W. E. Bennett, Park, third, Sour Cucumber Pickles.

Mrs. E. A. Michael, Zita, second, Sweet Pickled Peaches.

Mrs. L. H. Barnard, Centerville, third, Apple Preserves.

Mrs. H. R. Fulton, Zita, first, Strawberry Preserves.

Mrs. R. B. Gist, Sunny Hill Club, three first places on Woolen Hook-

### Tax Roll For 1936 Complete In Randall Co.

### Payments on 1936 Taxes May Be Made Starting First of October—Split Tax Plan

Randall county's tax rolls for 1936 are completed, and tax payers may make payment on the first day of October. The rolls this year show a valuation of \$5,559,700. The county taxes amount to \$51,148.99, while the state taxes amount to \$29,212.72.

Tax Assessor and Collector R. N. Barnett gives notice that taxpayers may take advantage of the split tax plan by making the first payment on or before Nov. 30, and the second payment on or before June 30, 1937.

Most taxpayers prefer making only one payment of their taxes, and may do so on the first of October.

### Pampa Rotarians Put on Program Here on Tuesday

Fourteen members of the Pampa Rotary Club visited the Canyon Rotary Club Tuesday, and put on a program which was directed by Secretary Frank Foster. The delegation was headed by Farris C. Oden, president of the Pampa club.

Following the club singing, Charlie Burton talked on fellowship, and what it means in the development of a business institution. He termed fellowship the good will, which has been valued at millions of dollars in the sale of big business institutions.

Eugene Gigmiller played a piano solo, following which he gave two tap dance numbers, accompanied by his mother at the piano.

Travis Lively expressed the appreciation of Pampa people for Canyon, and told of his early experiences while a student at W. T. The Pampa Club is ambitious to extend its friendship to all parts of the Panhandle, and therefore will visit more clubs this year than last year.

Bob Smelling sang two solos, accompanied by Mrs. Tom Rose, club pianist.

The following comprised the Pampa delegation: Farris Oden, Frank Foster, Miss Frankie Foster, DeLea Vicars, M. W. Jones, W. J. Daugherty, Travis Lively, Chas. Barrett, C. T. Hunkapiller, Harvey Todd, Chas. Burton, H. D. Keys, Earl O'Keefe, L. N. McCullough, Bob Smelling.

Other visitors were: Doris B. Smith, R. E. Wertz, Frank Storm, Roy White, W. W. Rusk.

### Champ Clark Will Speak W. T. Home- coming, Oct. 31st

Bennett Champ Clark, United States Senator from Missouri, will be the principal speaker at the Homecoming of W. T. on Oct. 31.

The Ex-Students Association of the college has invited all Texas senators and representatives of this section of the state to be their guests on that day. The address of Senator Clark and a football game between the W. T. Buffaloes and Sul Ross Lobos will be features of the day. Supt. Lee Gilmore of Wheeler, is president of the Ex-students Association.

### Strong Team From El Paso Expected to Give Buffs Hard Battle on Local Field

The Buffaloes will play the second game of the season at Buffalo Stadium Friday night at 8 o'clock, meeting the Texas School of Mines from El Paso.

Coaches Al Baggett and Marshall May are not taking too seriously the lopsided victory of the Buffaloes last Friday night against the Panhandle Aggies, and are working the boys hard this week getting them ready for a hard battle.

No information has been received here regarding the strength of the Miners this year. They will be playing the first game of the season Friday night. Last year the team showed unusual strength, and reinforcements came to the school this season by a number of junior college transfers.

With special emphasis placed on the fundamentals of blocking and tackling, the coaches are whipping their cohorts through overtime scrimmage sessions as a prelude to their battle Friday night.

Fearing that the Saxon men may exhibit a slippery running offense, focused around their backfield aces, Ross Moore and Tony Hernandez, the Buffaloes are contriving to find formations to check successfully that department.

In their scrimmage periods against the Freshmen, the Bison Herd are displaying the same rugged and deftness of last Friday's game. Oscar Hinger, a guard, sustained a slight injury Friday night, but was in uniform for yesterday's workout.

Friday's game was instrumental in introducing the stellar pass combination of Slingin' Foster (Continued on last page)

### Community Problems To Be Considered Tonight at Dinner of Chamber of Commerce

#### WARREN PRESIDES

### Local Subjects of Interest To Citizens of County Are Slated For General Discussion

Members of the Canyon Chamber of Commerce will hold a dinner at the Methodist Church this evening at 7:30 o'clock. The dinner will be in the nature of a get together meeting of the business and professional men and women of Canyon to talk about the present and future development plans of Canyon.

A short program will be held after the dinner in charge of W. A. Warren, president of the Chamber of Commerce, as follows:

Civic pride for Canyon—Rev. J. O. Quattlebaum.

More city lights—J. B. Morrisett.

Music, piano solo—Mrs. Lee Foster.

Co-operation of city and schools—Supt. Irby Carruth.

Solo—Houston Bright.

The need and advantages of city parks—S. H. Condron.

### Highway Patrolmen Tested Cars Friday Afternoon in City

A crew of highway patrolmen visited Canyon Friday afternoon to form a safety lane to test automobiles and trucks.

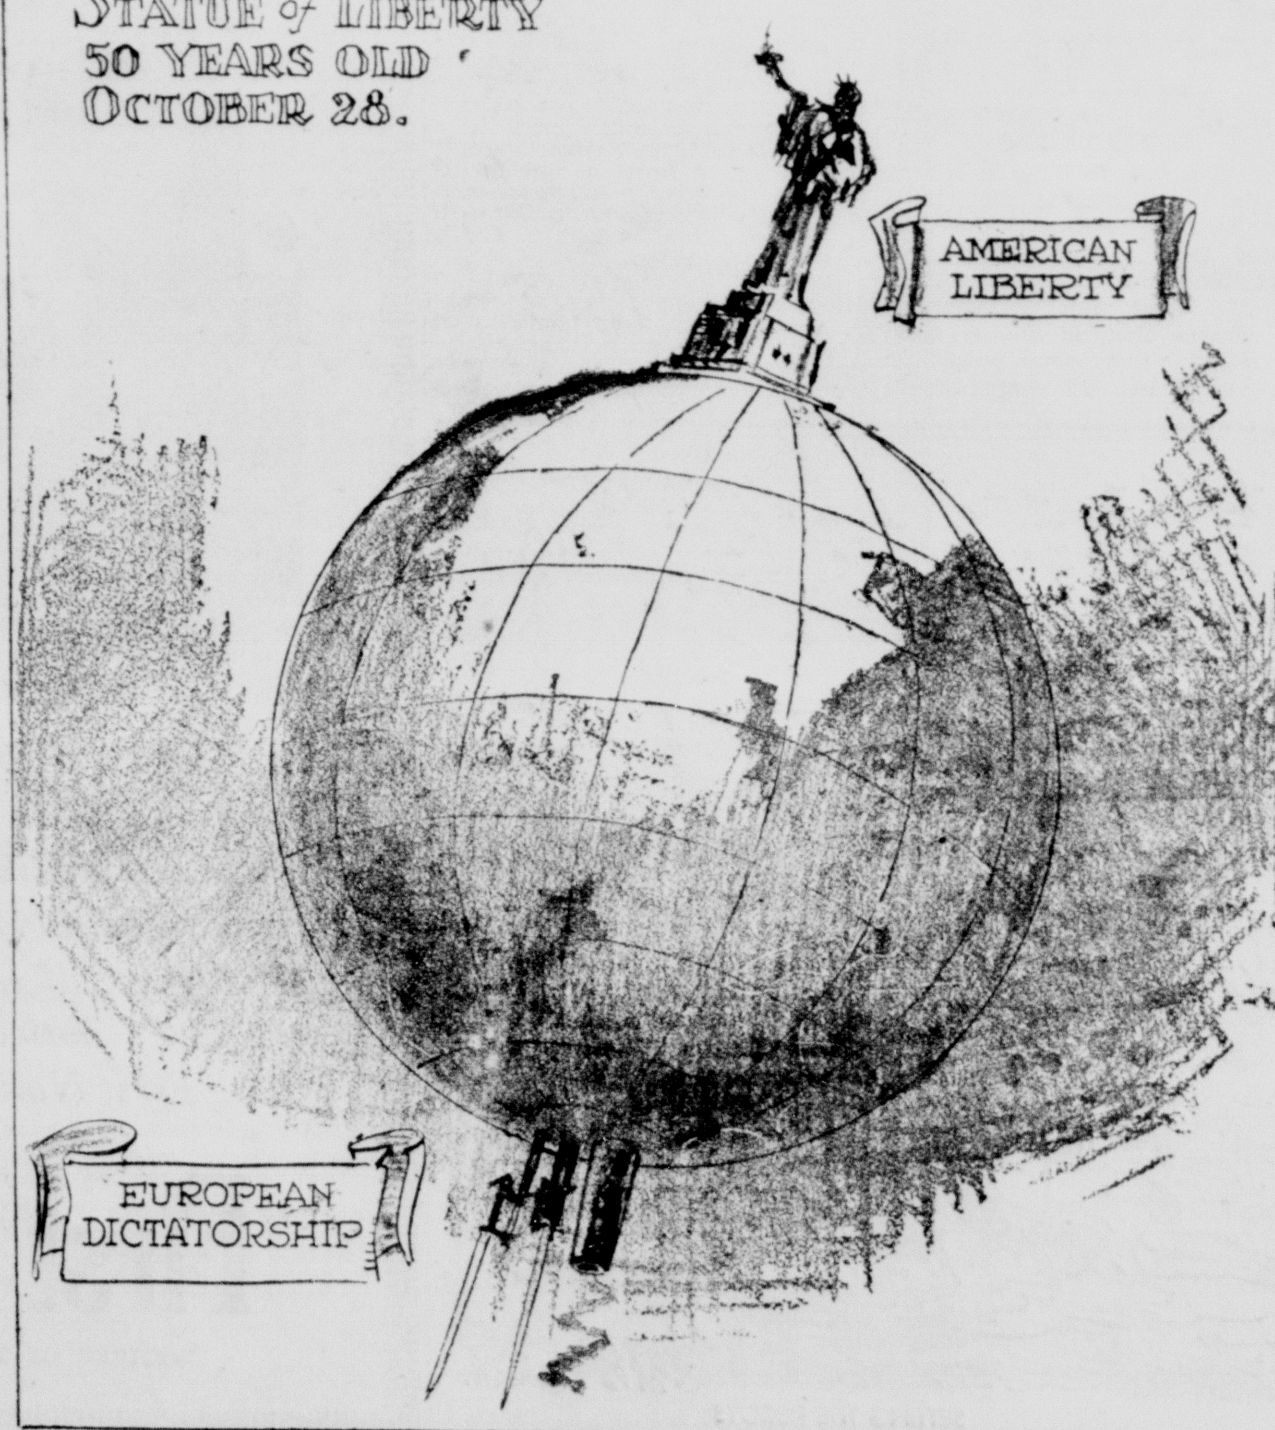

All cars on the streets were directed through the lane. Those found in good shape were given a blue tag, while those with defects were tagged with a red one.

Tests were made on the brakes, lights, horns, windshield wipers, license plates.

Defective cars must have repairs made at once.

## Seed Loan Period to Close on Sept. 30th

### Farmers Are Urged To Make Applications Be- fore Next Wednesday For Seed Loans

September 30th is the last day on which seed loan applications may be made. This date is Wednesday of next week, and the seed loan office will be closed on Thursday morning.

County Agent W. H. Upchurch states that he has been advised that there will be no extension of time on seed loans.

Many farmers have made application for seed loans, and many others have expressed a desire for loans following the rains of this week.

A maximum of \$400 will be loaned to individuals for seeding purposes.

### P. T. A. To Have First Meeting of Year Monday

Monday evening at 7:45 o'clock the Parent-Teachers Association of the Canyon Schools will hold an informal social and get acquainted meeting in the High School Auditorium.

As an interesting program attraction, Cal Farley of Amarillo, will speak about his recent trip to Europe and the Olympic Games. Musical numbers will also be given by Mrs. Lee Foster.

All patrons and friends of the Canyon Public Schools are cordially invited to this meeting, the first of the school year, of the Parent-Teacher Association.

Miss Lura Bess Stricklin of Van Alstyne has returned to her home after visiting Misses Billie Bee and Natalie Flesher and other friends here for several days.

Mr. and Mrs. J. M. Burrow of Dalhart spent Sunday here with relatives.

### MAY ADD TULIA BUS

### First Assembly Of Year Held Saturday Morn- ing — Increase Pleases Faculty

The enrollment at W. T. is greater than last year, according to the figures from the Registrar's office this morning. 905 students had filled out information cards. At the end of the third week last year the total number enrolled was 851.

The increased enrollment is highly pleasing to members of the faculty.

The formal opening of the new session was held Saturday morning, with President J. A. Hill discussing the purposes of education with the students. Announcements were made by local pastors regarding the religious life of the community.

Bus service for commuting students is the latest addition to the activities of the West Texas State Teachers College. In answer to an insistent demand the college is running a 36-passenger bus daily from Amarillo to Canyon and return, and is carrying almost a capacity load on each trip.

The schedule of commercial busses did not fit the needs of students of the college.

The bus is driven by Guy Ivie, of Amarillo, a student who is earning part of his college expenses in this way.

So far as is known this is the first college in Texas to inaugurate bus service for the convenience of its students. President J. A. Hill said, "This may be an important innovation in college practice. It has been started only because it appears to extend educational opportunities to a group that would otherwise be unable to attend college."

The first trip of the new bus was made yesterday morning, and moving pictures were made by Travis Shaw. These will become part of the college records.

The bus was purchased through the Thompson Hardware Co. An (Continued on last page)

### Canyon Citizens Caught in San An- geles During Flood

Mr. and Mrs. J. J. Walker were caught in San Angelo last week during the peak of the flood, and were held there for two days. Lights were cut off and the city was without water supply during that time. No meals could be served in the hotel, but the Walkers were fortunate enough to get to a grocery store and laid in a supply for the two days.

From the hotel they could see houses going down the river. The damage was estimated at \$1,500,000, with nearly 500 homes being destroyed.

Mr. and Mrs. Walker were among the first to drive out of the city after the water receded. The experience is one they hope never to see repeated.

### OLD CLOTHES MATINEE WILL BE GIVEN OCT. 9

W. J. Wooten stated yesterday he would put on the annual Old Clothes Matinee, on Oct. 9.

Old clothing and shoes brought to the Olympic for admission will be turned over to local committee for distribution among the families which need assistance.

Miss Helen Lykes, student secretary of the Little House of Fellowship, will entertain the Episcopal College students on Friday with a buffet supper. All Episcopal students are cordially invited.

Mrs. Donald Trolinger and Mrs. C. M. Presley returned last Thursday from Dallas where they attended the gift show and the Centennial.

## Dam On Tierra Blanca Will Be Subject Conflab

### Citizens Who are Inter- ested Asked to Meet Monday Night at Court House

A public meeting is called for next Monday night at 8:00 o'clock at the court house for the purpose of discussing a dam on the Tierra Blanca near Umbarger. Citizens interested in the project are requested to come to this meeting.

The Tierra Blanca heads back in the Friona section, and carries a large volume of water following heavy rains. To dam and preserve this water for irrigation purposes is the idea back of the movement to build this dam.

Local citizens have been discussing for some time the probability of getting government money to build this dam.

The Tierra Blanca has overflowed several times in recent years doing considerable damage. The highway south of Canyon was damaged following the heavy rains in May. In the same rise the gas line running into Canyon was broken and the town deprived the use of gas for several hours.

The Tierra Blanca joins the Palo Duro northeast of Canyon. East of this junction much damage has been done by flood waters in years past.

Citizens interested in this project are invited to attend the meeting and to express their opinion as to the feasibility of the project.

### Randall Co. Herds Wins Many Ribbons at Tri-State Fair

Randall county cattle breeders continued to win at the Tri-State Fair as the judging of stock was nearly completed yesterday.

W. E. Bennett showed his registered Herefords, winning in two classes.

Tierra Blanca Stock Farm carried off 10 blue ribbons in the Jersey Show, and placed in several classes.

H. B. Hales swept the Holstein division with 17 animals shown.

C. E. Donnell & Son won in seven classes with their Milking Shorthorns.

In the hog show, Tierra Blanca won 33 first places on their showing of Poland Chinas, Hampshires and Durocs.

### Mrs. Hill Enrolls For Courses of Work This Year

Mrs. J. A. Hill, wife of Dr. J. A. Hill, president of W. T., is taking some work in the College this year.

"I am not working for credit, but merely for the pleasure of attending school again," said Mrs. Hill.

"I have wanted to do this for a long time, and now that my three children are all married, I am happy to be a school 'girl' again," she explained.

Dr. and Mrs. Hill have expressed themselves as being anxious to become acquainted with as many students as possible so they are taking their meals out. They hope to be visiting boarders in each of the dormitories and boarding houses at some time during the year.

They are eating with the Cousins Hall girls this month.

Ernest Smith and family of Marlin returned to Marlin Tuesday morning after visiting at the parental O. I. Smith home.

Entered at the postoffice at Canyon, Texas, as second class matter. Published weekly at office 1513 Fourth Avenue, Canyon, Texas.

Old age assistance has been bitterly criticized during the past year. Much of the criticism is unjust, and by people who should have known better. Several politicians attempted to make this problem a political issue, and promised all who were 65 years of age a pension. Most of the promising gang failed at the polls. The board which handles these pensions have been unjustly criticized, although many mistakes have been made. But the most serious mistake was made last week when notice was sent to all newspapers that public hearings were to be held in various towns for those who were not satisfied with their assistance. One was advertised to be held in Amarillo. The Amarillo newspapers carried this dispatch, which was also received by The Canyon News and other newspapers of the state. On the day set for the hearing, hundreds of old people flocked to the designated place, but there was no one there to conduct the hearing, and it was stated that only one case was set for the day. The publicity department at Austin was charged with an error in sending out over the state wide publicity that these public hearings would be held. To disappoint the old people who had flocked to Amarillo for this so-called meeting was little less than a crime. Someone at Austin should make better provision for sending out authentic news when such issues are involved.

Voters look with suspicion upon any move to increase salaries. Therefore, opposition may be expected to the constitutional amendment to increase the salaries of the Governor, Attorney General, Comptroller, Land Commissioner, Treasurer and Secretary of State. No one will hardly argue that Texas pays its officers too much. In fact most of us will agree that \$4,000 to serve in the responsible office of Governor is too little. But on the other hand, voters will argue that the office has never been vacant for the lack of material, men and women willing to serve for this sum of money. Voters will also rightfully argue that the question of salary will not improve the quality of candidates who offer for these jobs. Regardless of all the arguments against increasing these salaries, is the well known fact that these public officials are greatly underpaid. The people of Texas can afford to do better by their public officials. Only three states in the union pay their public officials as small salaries as does Texas. The amendment to be voted upon in November was sponsored in the legislature by Lieut. Governor Walter Woodul, who saw the great need of Texas doing better by those who give the best years of their lives to the public welfare of Texas.

The next session of the legislature will no doubt spend considerable

able time investigating affairs at the University of Texas. The first matter of criticism appeared several weeks ago when the regents and faculty clamped the lid on the outspoken editor of the Daily Texan. So-called friends of the press started a row, claiming that the freedom of speech and the press were being interfered with in this matter. Matter of fact the Daily Texan is only the publicity organ of the university and any time the regents and faculty are unable to control what this official mouthpiece has to say, the publication should be stopped. In the second instance, comes the Evetts Haley case. Evetts is attempting to make out that he was fired because he is against Roosevelt, while President Benedict points out that he was given a leave of absence by his own request a few days before his job officially ended. Furthermore, the regents have neither fired nor refused to re-hire him, but the matter will be taken up if it is found the work in which he was engaged will be continued. This gives the foes of the university two things to talk about, and there are plenty of people who like to condemn the big institution.

While Governor Landon cries out against expenditures of the New Deal, he admits that relief must be carried on, that the farmers must receive aid, that the national defense must be strengthened. These three items are taking a major portion of the money extracted from the national treasury. Regardless of who may win the election, taxes will not be materially reduced until industry absorbs the bulk of the unemployed. Private industry offers superior opportunities for workmen to be free than do the government jobs which are being offered. The wheels of industry cannot start turning as rapidly as they should until operated with productive private contracts without governmental interference. All of this will not be accomplished in 1937 or 1938. The depression did not happen in a minute, and recovery will not be accomplished in a short time. Mr. Landon will have a bigger job than he contemplates, should he be elected in November.

H. M. Bainer is very hopeful for the future of Panhandle farmers. The government is now assisting the farmers in putting over a program which Mr. Bainer has advocated for 26 years, that is, contour plowing, and diversification. The past few years have disclosed the absolute necessity of preserving all of the moisture that falls. Contour plowing is by no means something new in Randall county, as many farmers have practiced the plan during past years. But the method has been put to a most severe test this year, and farmers are sold on the plan. Mr. Bainer is not only a scientific farmer, so far as theory is concerned in his position with the Santa Fe, but he put his theories into practice while manager of more than 200 farms in Missouri for about 15 years. He is glad to be back in the Panhandle, and believes more firmly in the future of the Panhandle than ever before.

The legislature will convene in special session next Monday to attempt to raise revenues for old age assistance. Quite naturally there will be more members disposed to pass additional appropriations before knowing where the money is coming from. Taxation has always been a most serious problem with any government, whether it be local, state or national. No one seems willing to walk up to the lick log and demand that he be taxed his just part in keeping the government going. It is intimated that Governor Allred will keep the legislature on the one problem of raising the necessary funds to meet old age assistance before any other measure is presented. No doubt the Governor is right, if this is what he has in his mind.

The house trailer is the home of thousands of people. It is pre-

## IN THE WORLD OF SPORTS

Martin Has Only Praise for the Yankees, Who Crashed Through Big Winners, Despite Heavy Run of Disheartening Breaks

BY PHILIP MARTIN

THE Cochrane-Detroit Tiger regime, which dominated the American League scene for two years, has finally gone down before the assaults of the McCarthy-New York Yankee rebel forces.

Marse Joe's Gothamites, after consolidating their gains in the wipe-out games, mass for a smashing world series attack on the National League winners, the objective being, of course, possession of the world's baseball championship.

Overpowering and outsmarting the opposition at every stage of the campaign, the Ruppert Rifles now hold the balance of power in the junior circuit for the eighth time in the last 16 seasons. Moreover, they clinched the flag earlier than any other pennant winner in American League history.

THIS should set at rest any "lucky" charges hurled at the winners this year by fans who wagered their pelf on also-rans. The Yanks have had their portion of tough breaks, too.

Bill Dickey, their hard-hitting receiver, the best in the circuit, was out for a period of several weeks because of an injury. Arndt Jorgens, however, proved highly acceptable as a filler-in, and the club rolled along without a hitch.

Shortstop Frank Crosetti went on the hospital list, but Jack Saltzgaver saved the day with a neat bit of relief work.

Joe DiMaggio, the Yanks' high-priced bit of baseball bric-a-brac, then charged into Mryl Hoag, another gardener, in attempting to catch up with a fly ball at Detroit. DiMaggio's cranium proved to be the harder of the two and Hoag's services were lost to the New Yorkers for the

balance of the season.

At this point a hurry-up call was placed to the Montreal Royals and Bob (Suitcase) Seeds came lumbering out of the north to bolster the weakened outfield corps. He proved to be something of a howling success in

this role. His specialty at the plate is two-base swats.

Third base, the one spot which might have proved the Waterloo of the boys from Manhattan, was guarded most efficiently by "Red" Rolfe, who also batted around the 300 level.

Tony Lazzeri held down the second cushion job in a manner which belied his age and, while his hitting doesn't put him in the select circle, he is good for long-distance wallons at opportune moments.

When we mention that Lou Gehrig is still the regular first sacker, no more need be said.

McCarthy's hurling staff is the envy of American League bosses. Monte Pearson, an in-and-outter with the Cleveland Indians in 1935, developed into a star chucker, and he and "Rum" Hadley, an American League veteran, constitute the big guns of the hill division.

Pat Malone, Charley Ruffine, Johnny Broaca, Johnny Murphy and Lefty Gomez are the supporting cast. And what support they have been giving! Gomez is still far from being the pitcher he was a few years ago, but even so, he still is considerably over the 500 mark.

McCarthy can stand out on his outfielders. Joe DiMaggio, George Selkirk, Jake Powell, Roy Johnson and Bob Seeds are as fair a bunch of gardeners as you'd ever want to see.

All in all, the Yanks are a well-proportioned ball club. The batting punch is, of course, concentrated in Gehrig, Dickey and DiMaggio, but the rest of the lineup can carry on where this trio leaves off.

The National League winners will have to draw a quick bead on the Yankee forces if they expect to vanquish them in the big series.

Plainview housewife sends to Amarillo for samples of cloth suitable for making a suit for a little girl. Reason: Plainview stocks didn't offer what she wanted, some stores—purporting to be dry goods stores to her, department stores to the more sophisticated—had a single bolt of suitable material.

Samples came from Amarillo. She compared with Plainview samples. Amarillo's variety did not suit her better than Plainview's, and, oddly, but truthfully, she selected a pattern and grade that was shown in Plainview and Amarillo. The Plainview price was \$1.95 per yard, the Amarillo price was \$2.25 per yard. She bought the Plainview offering, highly satisfied.

## Practice Begins For Tennis Squad Under Lockhart

With the return of four lettermen, West Texas State's 1936 varsity tennis squad began practice last week under the careful direction of Coach W. E. Lockhart.

The net squad will be weakened by the failure of Bill Allison, sophomore letterman from Canyon, to return to school.

The ranking singles position will doubtless be filled by Glyndon Riley, letterman from Spearman, and Norton Curry, Wichita Falls, is the best bet for the number two berth. George Smalley from Floydada will probably play at number three and the other position will be filled by Darrell Hemphill of Littlefield.

Riley and Smalley, formidable duo combination of last year, loom

as favorites for the ranking doubles, and Curry and Hemphill will pair together to form the number two doubles.

The tennis courts will be reserved for the varsity racketeers each afternoon from 3:30 to 5:30 o'clock, and Mr. Lockhart has requested that other students do not interfere with the schedule.

## Dr. Fronabarger Adds Large Sum To Loan Funds

One thousand dollars has been added to the loan funds from which students of W. T. may receive aid. This latest gift has come from Dr. B. F. Fronabarger, head of the department of English.

The money which Dr. Fronabarger received from the United States government through the soldiers' bonus act has been used to establish a memorial to his father, Rev. B. F. Fronabarger, for many years an educator and leader in the Baptist denomination in Texas.

"My father's services in the World War were much more significant than mine, and it is fitting that this money be used as a memorial to him," the donor said.

The new loan fund will be administered by the same committee in charge of the Gregg Cousins Memorial Loan Fund, which was established in 1912. T. M. Moore, of the agriculture department, is secretary of this loan fund committee, and S. H. Condon is its chairman.

## Axtell Becomes Assistant In W. T. Music Dept.

Robert Axtell of Amarillo has become a student assistant in the Department of Music of W. T.

Mr. Axtell has been Concert Master of the Amarillo Philharmonic Orchestra for several years and is a well known teacher of violin and other string instruments.

He will teach group classes in violin in both grades and high school of the College Demonstration School.

Wallace R. Clark, head of the department of Music, said that Mr. Axtell's work would lead to the development of string ensemble organizations in both the high school and the college.

Passengers in the smoking compartment on my train were arguing about why railroad business is picking up.

A factory owner said it was because of this new free pick-up-and-delivery of less than carload freight. This is door-to-door service with no extra charge added to the freight bill.

A traveling salesman said it was because so many passenger and freight trains now run on faster schedules.

There was a school principal in the group and he said it was because train travel is so much cheaper for passengers. He said passenger fares are at the lowest point in history, with substantial reductions if you buy a round-trip ticket—and no more surcharge for riding in sleeping cars.

One man, a farmer, said he liked something he could depend on, that's why he was traveling by train.

Another man, a newspaper reporter, said people were in favor of railroad travel because it is by far the safest. He quoted a lot of statistics from a book called, "Live and Let Live."

A banker we all know by name said railroad tax payments mean a lot in this state.

We are proud of railroad achievements, appreciate the public's good will and increased patronage, and pledge continued progress.

## Fete Paralleling Dedication Marks Goddess of Liberty's 50th Birthday

ONE October day a half century ago, New York City thrilled to a great celebration. Splashes of color, that were gaily decorated boats, crowded the harbor. A mammoth parade moved down Broadway to the Battery. Old Fort Wood's guns roared a thundering salute. The Goddess of Liberty, shining brightly in the autumn sun, was being dedicated!

A duplicate of that celebration will be held Oct. 28. It, too, will enthusiastically honor one of the most famous statues in the world, standing today as sturdy as it did 50 years ago. The only change in the appearance of the monument is that the glitter is gone. The copper sheeting has, through oxidation, taken on a green coating which many people believe adds to the memorial's majestic beauty.

The 50th birthday celebration will be the high spot of a year-long observance. President Roosevelt has been asked to attend, as did President Grover Cleveland in 1886, when he accepted the gift from the French people as a permanent tribute to freedom, the "inalienable rights" of man, and the glory of the New World.

HEADING the French delegation at the anniversary ceremonies will be Ambassador Andre de Laboulaye. He is the grandson of Edouard de Laboulaye, at whose Paris home a group of men proposed in 1865 that France take a fitting part in the American centennial celebration of the signing of the Declaration of Independence.

A young Alsatian, Auguste Bartholdi, was commissioned to find a suitable memorial. Coming to America, Bartholdi envisioned the statue of a gigantic goddess as his boat entered New York harbor. His idea was accepted immediately by the backers of the memorial, but the amount needed, approximately \$700,000, was too large to be raised by 1876, the centennial year.

The \$250,000 for the statue's pedestal, to be contributed by America, was not obtained until 1885. Guiding force in collect-

Nearing the end of her 50th year, the Goddess of Liberty continues her vigil over New York harbor. At left, in the background, is seen the Normandie, the great French liner which will be on hand for the anniversary celebration.

ing funds for the pedestal was Joseph Pulitzer, publisher of the New York World, who took over the drive when it appeared that the massive foundation might never be built.

FOR her 50th birthday the Goddess herself will be fittingly bedecked. A huge flag will hang from the statue's torch and 48 smaller flags will decorate each pedestal corner.

The army, navy and marine corps will participate in the ceremony. France's great ocean liner, the Normandie, will lie near Bedloe's Island to take part.

In the 1886 dedication, 20,000 New Yorkers paraded and 300 vessels participated in the gala water pageant. Officials of the National Park Service of the Department of Interior, which has had jurisdiction over the statue since 1933, hope to see

many more people and many more boats taking part in the 1936 observance.

The Park Service has stressed the idea that celebration of the statue's 50th year concerns the entire nation. Along this line it has co-operated with national organizations in promoting historical and educational functions emphasizing significance of the memorial.

Among those organizations taking part are the Daughters of the American Revolution, the Sons of the American Revolution, American Legion, Veterans of Foreign Wars, the Federation of Women's Clubs, and the National Life Conservation Society.

School classes over the country this fall take up the study of the history of the Goddess of Liberty and the evolution of the friendship between France and the United States expressed visibly in the monument.

## News in Canyon 25 Years Ago

(Taken from the files of the Randall County News of September 22, 1911)

J. A. Crawford, first secretary of the normal, died. The funeral was held in the normal auditorium. Prof. J. W. Reid and President R. B. Cousins made short talks.

Miss Kittie Grimes and Fred Heller of Jerseyville, Ill., were married at Wapello, Iowa. She is a sister of Mrs. S. L. Ingham, and was employed at the Canyon Supply Company during the past four years.

The appropriation bill as finally signed by the Governor amounted to \$59,945 for the first year and \$43,150 for the second year of the normal. Two items were vetoed, amounting to \$8,125.

The attendance at the normal is now 252.

PARK CLUB HAS AUTUMN  
TEA IN AMARILLO

The home of Mrs. C. F. Moore of 1918 Jackson Street, Amarillo, was the scene of a beautifully appointed tea given by members of the Park Home Demonstration Club last Thursday afternoon.

In the reception committee were Mrs. C. F. Moore, Mrs. Ivan Pitt, and Mrs. James Eddie Park, president of the Club.

A musical trio composed of Misses Wendene and Roborne Wilson and Mrs. Charles Thurman gave several selections, and other musical numbers met with much applause. Short talks were made by Mrs. O. A. Blankenship, vice chairman of the district, Miss Ruby Mashburn, district demonstrator, Miss Grace Neely, state dietitian from A. & M. and Miss Mary Sutton, Pottor county demonstrator.

An arrangement of white tapers with yellow flowers made up the beautiful tea table appointments. Individually iced angel food cakes with yellow rose centers were served with tea, poured by Mrs. Chas. Benton.

Present were Mrs. Blankenship, Misses Neely, Sutton, Mashburn, Allie Dozier, Wendene and Roborne Wilson, Rena Belle Roddy, Juanita Hill Jones; Mrs. Minnie Gendiesberger, Mrs. Clarence Winters, Mrs. Eula Watson, Mrs. Baillie McCormick, Mrs. John Moody, Mrs. B. F. McMahon, Mrs. L. M. Sullivan, Mrs. W. C. Moore, Mrs. Edna Moore, Mrs. T. P. Moore, Misses Marguerite Moore, Catherine Rodgers and Gracie Ray Bennett.

Members were Mrs. W. E. Bennett, Mrs. Chas. Benton, Mrs. Ivan Pitt, Mrs. C. F. Moore, Mrs. Jno. Coburn, Mrs. Mary Simon, Mrs. Tony Simon, Mrs. Herrick Simon, Mrs. Frank Winters, Jr., Mrs. Leonard Winters, Mrs. O. E. Turpin, Mrs. Fred Roddy, Mrs. James Eddie Park, and Mrs. Jas. E. Park.

B. S. U. STUDENTS  
ENJOY OUTING

Forty Baptist students attended the B. S. U. Retreat at the Palisades Monday night, Sept. 14. Activities began with a picnic lunch and group songs.

An impressive camp-fire service followed. The short devotionals were given by Shirley Turk and each of the other B. S. U. officers gave a short outline of the work they plan to accomplish this year. Brynild Vaughan brought a very impressive and inspirational message to the group seated in a circle around the camp-fire. The meeting closed with a song and the group returned to town with a new zeal and inspiration to carry on to still greater heights this coming year.

WIMBERLY AND REESE  
ANNOUNCE WEDDING

Announcement has been made of the marriage of Miss Mabel Wimberly, daughter of Mr. and Mrs. J. A. Wimberly of Priona, and Carl Reese, of Lubbock. The ceremony took place Aug. 23 in Lovington, N. M., at the home of the officiating pastor, Rev. J. Y. Bowman, Methodist pastor.

Wal, ya kids shure did give ole Lefors a gude game tother nite. They had all the advantages over ya er you'd have left 'em way behind instead of tying 'em. Let's hope the weather changes this week end not that ya can't beat Panhandle on a wet field, but ya could reely skunk 'em on a dry one!

Say, have ya heard about them Hangin' Gardens? Miss Foster's history class reports that "he" was the last ruler of sum country. Now, where could that be?

Wal kids, it's a purty gud thing to learn while yore young not to talk when sumone else is. Hit seems Coach Brown is gettin' all het up tryin' to teach a certain civics class that Ask Mavis and Hazel what they think.

All the boys kinda hung around th show tother nite a-waitin for someone; maby that's why DoDo and his gurl set thru so many shows.

I may be kinda slow ketchin up on schule affairs this year. Are there two Hershels in schule this year or is the ex-captain of the Eagles' jus going by that name fur awhile?

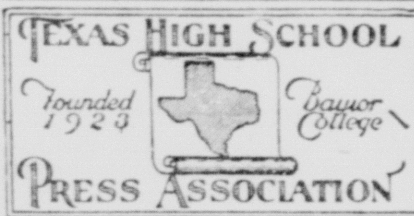

Our editor, Mary Collins, wuz badly fooled tother nite when she mistook two football boys fur a couple uv military horses. It was only D. A. Butler and Joe Gill doin their nite trainin fer football.

Th Chamber uv Commerce shure did respond to Miss Eastus' plea tother nite when they gave th pep squad nite drums. I imagine ya schule kids will be hearin frum em soon. I thot I hurd it tother day when Fat Cox wuz up at schule, but I found out later it wuz only a little senior girl's heart beatin.

Have ya heard the rumor about Jack Middleton gittin religion? Or do ya recon it wuz just his little blonde gurl fren leadin him to church? I think it is the Baptist Church.

On to Panhandle!

## FOLLOW THE LEADER

When a ball game is being played, one of the things which helps a school to go over with a bang is for the football boys and pep girls to be polite, courteous, and agreeable at all times. The pep squad should always be courteous to the visiting squad. For instance, at the Lefors-Canyon game, the pep squad and the football team were shown every consideration. The Lefors citizens recognized our organization and made us welcome by giving the girls choice seats and by being courteous during the stunt.

At all ball games, why can't Canyon High students be courteous and gracious to the visiting team and its supporters? We can without half trying! After all, a football game is only one way in which the schools come in contact with each other. We want other schools to look upon us with respect, don't we?

Next Friday when the Eagles play Panhandle, everyone will show his training and loyalty by the respect with which he treats our foe. Make our opponents look up to us for a higher standard of conduct.

A french doctor says women have more control over themselves than men. And he might have added they have greater control over the men, too.

A starfish has no brain, but is able to learn, differing in the latter respect, professors will tell you, from the average college student.

They say lightning never hits in the same place twice, but we've noticed that it seldom needs to.

Chamber of Commerce  
Give Pep Squad Drums

"Last night I made a talk to the Chamber of Commerce. After asking them for three snare drums, I left so they could make their decision."

"This morning, Mr. Carruth came into my room and said, 'Miss Eastus, I'm afraid your speech didn't go over very well.'"

"Why, didn't we get any drums? 'No, they wouldn't give you three drums; they gave you nine.'"

A roar from the pep squad echoed through the building at the end of Miss Eastus' speech.

The grade teachers are giving the pep squad one drum, and Helen Johnson and Edrie McNeill are each buying drums. Mr. R. G. Stevenson, band director, has ordered these drums at a reduced price.

The drums will be here Saturday. Each girl in the pep squad has a chance to try out for beating a drum. A committee will decide who is best. Betty Ruth Solomon, Natalie Flesher, and Edrie McNeill were chosen by the pep squad to try out for drum major. Using these drums and the bass drum belonging to the band, Canyon High School will soon have a drum corp and a pep squad very different from any other in the Panhandle.

'36 Senior Class  
Go to College;  
Enter Business

Although last year's senior class was small, its members are represented in various colleges and businesses.

Sewell and Wesley Cox are the only members attending college away from home. They are playing football for A. C. C. at Abilene.

The only farmer in the group is O. D. Breittling, who is working for Floyd Tomlinson at Dawn.

Gertrude Brandt and Annie Williams are in nurses' training at St. Anthony's hospital in Amarillo.

Wandell Johnson is visiting in California.

Erwin Meyers, David Phillips, Lucy Mae Furlow, and Joe Frank are at home.

Mildred Clouch is married and living in Amarillo.

Wilma Cofer, Sarah B. Bourne, Loretta Cole, Mary Ella Davis, Ruby Guthrie, Fred Hart, Gerald Dean Heath, Jack Jennings, Leslie Lisle, J. V. Moore, Joe Morris, Anna Katherine Overton, Fay Plaster, Jack Taylor, and Marjorie Wilkinson are attending college at W. T.

Brown and Clark  
Elected Sponsors

Two classes elected officers and sponsors during the past week.

Gerald Brown, teacher of civics and American history in high school, was elected sponsor of the junior class at the first class meeting Tuesday, Sept. 15. Last year Mr. Brown taught history in the grade school. He is coach of the girls' basketball team, and assistant football coach.

Mrs. Bert Newlin, room-mother of the sophomore class last year, was re-elected room-mother. Mrs. Newlin is the mother of Martha Jo Newlin, a junior.

Sarah Thompson was elected president of the junior class. She is an active member of the Press Club, Pep Squad, and Spanish Club. Clarence Zackry was elected vice-president, and Natalie Flesher, secretary and treasurer. Lillian Chambers and Billie Bewley were elected junior representatives to the student council.

Miss Grace Clark, teacher of mathematics in high school, was elected sponsor of the sophomore class at the first meeting Monday, Sept. 21. Mrs. John B. Pope, mother of Jimmie Pope, a sophomore, was elected room-mother.

Joe Gill, a football player and an active member of the sophomore class, was elected president. Hazel Sanders was elected vice-president, and Renna Beth Bellah, secretary and treasurer. The sophomores have not elected their social chairman or the representatives to the student council.

MARRIAGE RITES SPOKEN  
FOR BOLIN AND HEATON

Lois Bolin, who was a junior in Canyon High School last year, was married to Loyd Heaton last Saturday.

The couple were married at the home of the bride's sister near Clovis.

The bride is the daughter of Mr. J. R. Bolin of Portales, N. M. The groom has lived west of Canyon for the last two years. The couple will make their home in Amarillo.

Hazel Benton, senior, spent last week-end in Plainview.

Eagles and Lefors  
Tie In Game  
Friday Night

Invading the Lefors Pirates last Friday night in the opening battle of the season, the Eagles held the strong opposing team to a score of 0-0.

Opening the game, the Eagles kicked off to the Pirates, who returned the ball for only a few yards, following this with two first downs. The Eagles regained the ball, and with the tailback, (Big Boy) Rusk, carrying the ball, made two first downs. The Eagles continued their fight and carried the ball within fifteen yards of the goal line. Captain Jack Middleton, end, caught a short pass and carried the ball within two yards of the goal line. Fairy Hill, substitute tailback, hit the center of the line to carry the ball to the 2-foot line as the whistle blew for the half.

Lefors kicked the ball to the Eagles, who returned the ball a small distance before losing it. A struggle for possession of the ball followed this play, neither team being able to keep the ball over one first down. In the fourth quarter, the Pirates battled their way to the fifteen yard line, where the Eagles gained control of the ball and punted. The Pirates again gained possession of the ball and carried it to the two-yard line before the final whistle blew.

The game was evenly matched and was a struggle from the start to the finish. The Eagles had three penetrations to their credit to the Pirates' four.

Band Members Go  
To Tri-State Fair

Thirty-one Canyon High School band members and their director, Mr. R. G. Stevenson, visited the Tri-State Fair yesterday.

The band marched in a parade down Polk Street. They played at the horse races in the afternoon and broadcasted over KGNs, Amarillo radio station.

The group left from Canyon High School at 8 o'clock yesterday morning in the school bus.

COACH HUTTO REORGANIZES  
GYMNASIUM CLASS

The boys' gymnasium class has been reorganized this year, under the instruction of Coach Hutto. The class, which meets at 11 o'clock every morning, consists of boys not playing football. Various sports, such as boxing, wrestling, and basketball, fill the period.

Those attending the football game at Lefors Friday night were Hazel Benton, Ed Gidden, Glyn Persons, Mary Bourn, John B. Pope, Jack Inman, Prentice McKee, Billy Sternberg, Robert and J. C. Bellah, Nelson Robinson, Billy Frick, Eston Breittling, Henry Campbell, Jack Sanders, Charlie Gerald, Glenn Burrus, Glenn Campbell, Mr. Carruth, and Mr. Harris.

Mildred Baber, freshman at W. T., visited school Monday afternoon.

Mrs. C. A. Higdon visited assembly Monday morning.

Seniors Entertained By  
Faculty Monday NightAgriculture Class  
Organize F. A. A.

Boys of the agriculture class met Wednesday, Sept. 16, and organized a Future Farmers of America Association. Thomas Harris was elected president of the club. Other officers are vice-president, Lavert Avent; secretary, Melvin Callahan; treasurer, Bill Bewley; parliamentarian, Raymond Bible; farm watch-dog, Glen Burrus; reporter, R. E. Prichard; and song leader, Eston Breittling.

As its motto, the club chose: "We never meet unless we eat."

An award of a three-day trip to the Centennial will be given to the boy in Texas who writes the best essay on some phase of agriculture. The boys of the local F. A. A. are competing for this award.

New Members Will  
Be Initiated Into  
Home Ec. Club

Thirty-five new members will be formally initiated into the Home Economics Club this evening in the home economics room of the high school.

The officers of the club will be dressed in long white robes, and the room will be dimly lighted by candles. The girls will be brought to the room in a group, each lighting a small candle from the president's candle and repeating the pledge.

The program will be concluded with a song by the group, after which the hostess will serve refreshments of punch and cookies. Mildred Shuman, president of the club, has charge of the arrangements for the initiations.

HIGH SCHOOL STUDENTS  
MOVE AWAY

Two students in the high school have moved to other towns during the past week.

Jo Simmons has moved with her parents to Waynoka, Okla., where her father is employed in the Ford Garage as a mechanic. Jo, who is a freshman, will attend Waynoka High School.

Elouise Nollner, also a freshman, moved Saturday with her mother to Dalhart, where Mr. Nollner is working. Elouise will attend Dalhart High School.

HOME EC. CLUB VISITS  
AMERICAN LEGION HALL

Fourteen second year home economics girls and their teacher, Miss Fannie Sue Brasuel, visited the American Legion Hall last Wednesday at 2 o'clock to see a demonstration of canned goods.

All the clubs of Randall County were represented. The class was taken to the hall in cars. They were accompanied by Supt. I. B. Carruth.

Kate Donnell, senior, spent last Sunday in Panhandle.

Jack Sanders, freshman, spent last Saturday night in Panhandle.

Panhandle Panthers  
Battle Canyon  
Eagles Friday

Smarting from a 0 to 0 tie with the powerful Lefors Pirates, the purple and white clad Eagles will attempt to wreck vengeance tomorrow night when they tangle with the strong Panhandle Panthers at 8 o'clock, on the Panthers' own home field.

The Panthers' popularity with the local fans has increased somewhat since they trounced Hereford 31 to 0 last week.

During the last week, Coach Hutto has been putting the boys through stiff defensive workouts. A sufficient amount of hard blocking and tackling has been practiced to assure the fans that the boys are in first-class condition for sixty minutes of hard gridiron battle.

The Panther powerhouse lies in the Sparks brothers. But the Eagles balance this threat with Ray Ford Rusk, 190-pound tailback, and flashy C. L. Drummond, 150-pound brainsman of the team.

Grade Students  
Begin Units  
This Week

The grade school students began their different units this week under the instruction of their room teachers.

The third grade, under the supervision of Miss Ruth Greenfield, are studying a unit in library work. They visited the circulation library at Walker's Drug Store last Thursday, where Willard Middleton explained how the library is run. Miss Greenfield treated the children with froststicks. They also visited the Public Library, where Mrs. Sam Burton explained how it is operated. The children are paying special attention to library systems so that they can use the best method to run their library, which has been built in the corner of their room. School books for silent reading and books which the children bring from home are in their library. The librarians are selected each week by the class.

The first grade of Miss Virginia Jarrett has repainted and repapered their play house, which was built by the children last year. This has been done in connection with the playhouse unit of work.

Six A has elected officers for the year as follows: president, Anna Lee Newlin; vice-president, Clarence Thompson; and secretary, Beulah Hammond. Mrs. John M. Davis is their sponsor.

Mrs. Stella Murrell's second grade has started a unit of work on pets. They have decorated their room with pictures of pets and have started a scrap book with pictures and poems written by themselves in it.

Mrs. Isabel Cousins' fourth grade has started a unit of travel. They have studied pictures of different methods of travel while making plans for their unit. Buffaloes and Eagles are the names of their sides in the spelling and arithmetic contests which they are now having.

Other classes will begin units of work this week.

Farley Speaks On  
European Trip

Cal Farley of Amarillo will speak on his European trip this summer at the first meeting of the Parent-Teachers Association, to be held next Monday evening at 7:45 o'clock in the high school auditorium.

The program of the evening will be made up of a musical number played by Mrs. Lee Foster, music director in the high school, and a reading by Mr. Leon Lassers, speech director at West Texas State Teachers College.

This is the first open meeting of the Parent-Teachers Association this year. After the program, refreshments will be served in the home economics room, under the direction of Mrs. Felix Neff. Mrs. Dan Sanders is president of the local P. T. A. this year.

## THOUGHT OF THE WEEK

Your mind will not take care of itself. Will power, decision, resourcefulness, initiative, courage—these qualities are not gifts but results. Everyone of them can be developed by effort, just as muscles can be developed by exercise.

## Baggettmen Trample Aggies 56-0 In Opening Grid Tilt

### Fifteen Hundred Fans Show Faith In Squad

Presenting a dazzling scoring spurge, accented by a stubborn forward wall, the West Texas Buffaloes inaugurated the 1936 gridiron campaign by soundly trampling the Panhandle A. & M. Aggies in Buffalo Stadium, Friday night 56 to 0.

Fifteen hundred fans broadcasted that the Baggettmen are destined for one of the most successful seasons on record. The locals flashed a dangerous passing attack, blocked miraculously, and smothered the Aggie lugger quartet before they could get started. Convinced of the squads superiority, Coaches Baggett and May sent swarms of substitutes into the tussle who continued the assault of the regulars. Virtually the entire game was played in Aggie territory.

The newly discovered pass combination of Watkins to Waggoner furnished the feature of the game as they registered two for a gain of 73 yards. On another occasion, the situation reversed when Wag-

goner picked up 20 yards on an end-around play, and then later-erled to Watkins who sprinted the remaining 32 yards for the counter. Champion's timely interference, and the large gaping holes manufactured by Captain Leo Jackson, Horton, Hinger and Walling, simplified the running duties as the four rockets—Dow, Thomas, Slack and Watkins marched for gain after gain.

#### Score in Second Quarter

The Buffs' initial touchdown march started on their own 47 yard line, where Slack picked up 14 yards at left tackle. Watkins next danced for a series of short gains. The score came on the first play of the second quarter when Butler, crashing fullback, hit left tackle from the two-yard line. Walling converted. Score 7-0.

The next counter followed when Walling blocked a punt on the A. & M. seven-yard stripe. Slack carried to the three, and Butler again scored off tackle. Dow kicked goal.

Dow was responsible for the next chalk mark with a sensational jaunt from the 18-yard line. He again kicked goal.

Marchbanks, sub center from Childress, furnished a thrill when

he caught Lindsey's fumble to lumber 20 yards for a pay sheet. Dow converted.

**Marchbanks Scores Last One**  
Marchbanks supplied the finishing touch when he intercepted Captain Radney's short pass to scamper the remaining 40 yards for the last touchdown. Dow made his sixth straight conversion. Final score: Buffs 56, Aggies 0.

As the game neared completion, Captain Radney, clearly the visitors' outstanding performer, dropped back into a backfield slot and filled the air with numerous passes in a desperate attempt to score. They completed only three in 11 trials.

## Silverton Eleven Defeats Calves 6-0 In First Tilt

Coach L. T. Barksdale's West Texas High School footballers were defeated by Silverton High School 6-0, in the opening game of the first regular football schedule in the High School for several years. The light and inexperienced Canyon eleven outclassed and outfought the heavy Silverton squad, but were unable to push over counters at crucial points.

In the second quarter, Albert White, Silverton center, intercepted a pass on his own 5-yard line and raced 95 yards for the lone tally of the game.

Late in the last quarter, the West Texas Calves took the ball on their own 20 yard stripe and marched to their opponents' 10-yard line before the final whistle blew.

Coach Barksdale will take his squad to Amarillo Saturday to encounter the Groom eleven, and with another week of practice is confident of winning that game.

### Sunny Hill News

Generous rains have fallen the past week. Young wheat which is up is very pretty.

**OIL-PLATING**

In about a minute this engine will be getting Oil-Plated and won't need any oil added for such a long time that the owner will pass up everything for Conoco Germ Processed oil. In making this oil, a patented "hyper-oily concentrate," as Science terms it, is used to alloy a most carefully refined mineral oil. That is Germ Processing! It has two sure effects . . . (1) makes the familiar type of oil-film many times stronger . . . (2) backs this far stronger film with an entirely extra Oil-Plating. Oil-Plating is an actual deposit of Germ Processed oil, fixedly Plated to every moving part. So you have oil-film sliding on Oil-Plating . . . oil-moving-on-oil! And you can't keep farther away than that, from "another quart of oil." Continental Oil Co.
